Inspiring Teams, Leaders and Communities to make a difference

The Ultimate Six In One Team Challenge

Walk The Talk. Put the theory of good team dynamics to the test. Navigate six team challenges in six different scenarios. Explore the different style of thinking and learning in your team. Reveal the qualities and attributes each team member brings to the team. Challenging Yes. Fun Yes. Pursue situational leadership, what is effective communication & feedback loops.

Session Flow:

Step 1: Scene Set:

- Introduction to what makes a team high performing
- Exploration of team dynamics (mindset & behaviours)
- Results Based Accountability
- Setting rules and parameters for the session

Step 2: Run Team Activity

- For Agreed Period of Time

Step 3: Debrief

- The lived experience, what went well, “ah ha” moments
- Key take outs and links to what was discussed earlier
- Next Steps (Awareness without Action is Useless)

Activity Structure:

- Structure participants into teams of five or six
- An initial briefing on different thinking and importance of diversity on teams
- Key tips and rules
- Some key leaders can also be briefed to act as Facilitators and Observers to gain an understanding of how their team members perform

Key Team Elements Explored:

- Project Planning
- Team Member Roles & Responsibilities (Formal & Informal)
- Communication and Feedback Loops
- Team Familiarity and Personal Attributes
- Team Focus (Focus and allocate time to what matters)
- Types of thinking: Lateral, Practical, Analytical, Creative, Strategic, Action
- Team disciplines, time management and participants mindsets

Professional Fee:

\$5,500 (inclusive of GST) for up to 24 participants

Inclusions:

- ✓ All activity materials and IP (Tailored to outcomes)
- ✓ Pre-Event briefing and setting of desired outcomes
- ✓ Up to Two Facilitators (Based on numbers)
